BIDDING

(PLEASE NOTE CHANGE TO SCP AUCTIONS CLOSING PROCEDURE)

This is an internet-only auction. All items that meet reserve are sold to the highest bidder. Bidding for all lots for this auction will open on **WEDNESDAY, OCTOBER 18TH, 2017** at www.scpauctions.com. Immediately after registering and receiving email confirmation of your login and password (see REGISTRATION above), you will be able to bid in this sale. You must be logged-in to the auction at www.scpauctions.com using your log-in and your password in order to place bids in this sale. **In order to be eligible to bid on a lot during the Extended Bidding Period which begins at 5:00pm PST on NOVEMBER 4TH (the final day), you must have placed a bid on that lot before the end of the Initial Bidding Period (before 5:00pm PST on SATURDAY, NOVEMBER 4TH). IF YOU HAVE NOT BID ON THE LOT BEFORE 5:00PM PST (8:00PM EST) ON SATURDAY, NOVEMBER 4TH, YOU CANNOT BID ON THE LOT AFTER 5:00PM PST (8:00PM EST).** The entire auction will remain open until 15-minutes passes without a bid being placed on any item in the auction. Based on past experience, we expect the auction to continue past 11:00pm PST. Should bidding continue past 11:00pm PST, there will be no warning as to exactly when the auction will close.

BID NOTIFICATIONS VIA EMAIL

Upon placing a successful bid making you the current high bidder on a lot, you will receive an email notification confirming that you are current high bidder on that lot. If and when you are outbid on that lot, you will receive a new email notifying you that you have been outbid. In the event that you place a bid but are immediately outbid by another bidder's Maximum Bid, you will be notified instantly on the computer screen that you have been outbid and will not receive an email notification.

MINIMUM BIDS, BIDDING INCREMENTS AND MAXIMUM BIDS

Each lot in the auction has a Minimum Bid (designated in the printed catalogue and online as "MB"). When bidding, you will be able to view the current high bid for each lot. When you want to bid, you will click through to the individual lot page. There you will be able to view a pull-down menu of incremental bid amounts. You will have the option of selecting the next incremental bid (the lowest amount that the pull-down menu displays) or any bid higher than the next incremental bid (a Maximum Bid). If you select a Maximum Bid, the auction program will bid incrementally on your behalf one bid at a time up to but not exceeding your "maximum" bid amount with the intention of winning the item at the lowest possible price. Bid increments are set at 10% increases. In the event that two or more bidders place the same Maximum Bid, then the earliest received bid will be recognized as the successful high bid.

MY BIDS

All of your bids within your account will be managed and viewable in the "My Bids" section of the site. After you are logged in to the auction using your login and password, My Bids will be a click-able tab on the horizontal navigation bar. In "My Bids," you will be able to view a list of all of the lots that you have bid on in this auction, the current high bid for each lot you have bid on, whether or not you are the current high bidder, and your Maximum Bids on each lot (for lots you have placed a "Maximum" Bid).

INITIAL BIDDING PERIOD

The initial bidding period for all lots will begin at 10:00AM PST (1:00PM EST) on **WEDNESDAY, OCTOBER 18th**. The Initial Bidding Period will end for all lots at 5:00PM PST (8:00PM EST) on **SATURDAY, NOVEMBER 4th**. You must place a bid on a lot prior to the end of the Initial Bidding Period (between **WEDNESDAY, OCTOBER 18th at 10:00AM PST (1:00PM EST) and SATURDAY, NOVEMBER 4th at 5:00PM PST (8:00PM EST)**) in order to be eligible to bid on that lot during the Extended Bidding Period and the Closing Bidding Period on **SATURDAY, NOVEMBER 4th**. There are no exceptions to this rule. If only one bid at or above the Minimum Bid has been made on a lot when the Initial Bidding Period ends, that bidder will be declared the winner** of the lot at the conclusion of the Initial Bidding Period. **Exception: if the lot has a reserve that is unmet during Initial Bidding Period the lot will remain unsold.

EXTENDED BIDDING PERIOD

The Extended Bidding Period will apply to all lots that have received two or more bids above the Minimum Bid during the Initial Bidding Period. The Extended Bidding Period begins on **SATURDAY, NOVEMBER 4th at 5:00PM Pacific Standard Time (8:00PM Eastern Standard Time)**. During Extended Bidding you are only eligible to bid on items that you have previously placed bids on.

AUCTION CLOSING

The entire auction will remain open until 15 minutes passes without a bid being placed on any item in the entire auction. Based on past experience, we expect the auction to continue past 11:00pm PST. Should bidding continue past 11:00pm PST, there will be no public warning as to exactly when the auction will close.

HAMMER PRICE AND THE BUYER'S PREMIUM

The bid amounts placed in this sale at www.scpauctions.com are sometimes also referred to as the hammer prices. A Buyer's Premium will be added to the winning bid or hammer price and is payable by the purchaser as part of the total purchase price. The Buyer's Premium is equal to 20% of the winning bid price. For example, in the event that you win a lot with a successful bid price (hammer price) of \$1,000, then your total cost for that lot will be equal to the \$1,000 successful bid price plus the 20% Buyer's Premium. In this example, the total cost for that lot will equal \$1,200 (plus shipping, handling, insurance, and California sales tax if applicable).

INVOICING

Invoices will be emailed to all winning bidders. Invoices are also available online. To view your invoice, log-in to the "My Accounts" page and click on the "View Invoice" button. Invoices are due and payable by **TUESDAY, NOVEMBER 21st, 2017**. Shipping, packing, insurance, and California sales tax (if applicable) will be included on the invoice. State sales tax will be charged to residents of California unless you provide a valid California tax resale number. If you have a valid California resale license, you will have the opportunity to check the appropriate box when registering for the auction on-line. You must also fax a copy of your valid California resale license to Fax +1 (949) 643-2800 with a cover letter that includes your name, account name and telephone number. We will then mail you a California re-sale certificate which you must complete, sign and mail back to SCP Auctions. If you check the re-sale box online during registration, but do not provide us with a copy of your California resale number and return the certificate to SCP Auctions, we are required to collect and remit sales tax.

PSA/DNA AUTOGRAPH AUTHENTICATION POLICY

SCP Auctions is committed, with respect to signed material, to selling only items that have been reviewed and authenticated by PSA/DNA. Recent policy changes initiated by PSA/DNA have resulted in SCP Auctions no longer issuing auction letters to serve as letters of authenticity (LOA's). Instead, PSA/DNA will now issue full letters of authenticity (LOA's) for specific items in our catalog. All other items will be "Pre-Certified" upon being deemed authentic by PSA/DNA. Please note that it is the responsibility of the bidder to review the lot description for each lot in order to determine what form of authentication will accompany each item. SCP Auctions is not responsible for submitting pre-certified items to PSA/DNA for full LOA's. Winning bidders may submit their "Pre-Certified" items to PSA/DNA within 60 days of the auction closing with their invoice or proof of purchase from our auction house to receive special pricing from PSA/DNA on upgrading to full letters of authenticity (LOA's). Please visit www.psadna.com for further information on "Pre-Certified" items.

AUTHENTICATION

The provenance and authenticity of the items offered in this sale have been researched extensively. SCP Auctions (formerly SportsCards Plus) has been a leader in the sports cards and memorabilia industry for over thirty years. In many cases, we have employed the services of the foremost independent authentication firms such as PSA or SGC for card grading and authentication services; PSA/DNA (Professional Sports Authenticator), and JSA (James Spence Authentication) for autograph authentication, and MEARS (Memorabilia Evaluation And Research Services) and PSA/DNA (John Taube) for game-used equipment. LOA's (Letters of Authenticity) from third party authenticators, as well as those from relevant sources, are indicated in the lot description on-line at www.scpauctions.com. Please call SCP Auctions for any further description or information regarding any lot.

AS IS

All property is sold "as is" without any representations or warranties by SCP Auctions or the Consignor as to the merchantability, fitness for a particular purpose, the correctness of the catalogue or other description of the physical condition, size, quality, rarity, importance, medium, provenance, exhibitions, literature, or historical relevance of any property and no statement anywhere, whether oral or written, whether made in the catalogue, an advertisement, a bill of sale, a salesroom posting or announcement, or elsewhere, shall be deemed such a warranty, representation, or assumption of liability. SCP Auctions and the Consignor make no representations or warranties, express or implied, as to whether the purchaser acquires any copyrights, including but not limited to, any reproduction rights in any property. SCP Auctions

and the Consignor are not responsible for errors and omissions in the printed catalogue, on-line catalogue, or any supplemental material or in regards to the failure of the auction program to execute any bids on behalf of the bidder.

RETURN POLICY

No certified and/or pre-certified material may be returned due to possible differences of opinion with respect to the grade on any given lot. No guarantee of grade is offered for uncertified property that is later submitted to a third party grading service. Under extremely limited situations a winning bidder may request SCP Auctions to evaluate voiding a sale. The winning bidder must notify SCP Auctions of the alleged error by calling our main office (949) 831-3700 and receive prior approval to return item(s) in question. The winning bidder has three (3) days from receipt of the lot to contact SCP Auctions. Lots under consideration must be sent back to SCP Auctions main office within 30-days once approval has been granted. If the lot(s) are not returned within those 30 days then they are no longer eligible for return. Lots must be entirely intact and in the same condition as when sold to the winner to be accepted and/or considered for return. No amount above selling price will be refunded for any reason. Late remittance for purchases may be considered just cause to revoke all return privileges.

The parties agree to submit any dispute that may arise in connection with the auction to arbitration in Orange County, California. Agreement between bidder and SCP auctions shall be governed and construed in accordance to the laws of the state of California.
